### 2023 – Present

#### Campus Ambassador

DevTown  
Bangalore, KA

As a Campus Ambassador for DevTown, I am thrilled to represent a tech company dedicated to empowering students with comprehensive IT courses. DevTown's diverse offerings, including Full Stack Web Development, Front-End, Back-End, Python, C, HTML, and more, provide students with the tools and knowledge to master various IT domains and thrive in the dynamic tech landscape.

### 2022 – 2023

#### Data Analyst

Bike Wale  
Bangalore, KA

In my role as a Data Analyst at BikeWale, I analyzed the features of bikes released in 2022, filtered key points, and provided valuable insights to the front-end team. This process ensured that users received well-informed and data-driven information when exploring the latest bike models on our platform.
